

**Event Name** Asia-Pacific’s International Mining Exhibition (AIMEX)

**Details** Australia’s longest-running mining event returns in September this year. Asia-Pacific’s International Mining Exhibition (AIMEX) 2023 is a destination for decision-makers, experts and suppliers determined to change the face of the mining industry through technology, collaboration and radical improvements in productivity and sustainability. With over 250 local and international exhibitors, AIMEX provides an unmatched opportunity to connect and do business with some of the best mining suppliers from around the world. The event will also feature a free-to-attend conference, with themes including decarbonisation, technical innovation, and ESG. New at AIMEX are the Transformative Technology Pavilion, showcasing exponential technologies, such as augmented reality, virtual reality and data utilisation, and the Decarbonisation Zone, featuring smart and sustainable solutions that meet the sector’s environmental, social, and governance obligations.
